## BUSINESS

-  Ordering with demand quantities from 10 sheets
-  Transparency with prices
-  Processes are digital/available 24/7
-  Initiating the label: Print Local
-  Printfarm as a local marketplace for high-end print products

## PRODUCTS

*Our papers ...*

-  ... are from sustainable forestry and are if possible FSC certified
-  ... some are made from 100% recycled paper and therefore carry the FSC Recycled label:
  - EXTRAROUGH RECYCLING
  - EXTRASMOOTH RECYCLING
  - EXTRAMATT RECYCLING
-  EXTRAMATT RECYCLING has been recognized with the Blue Angel, the most demanding environmental label for paper
-  Wide range of papers made from alternative fibers: Bagasse (sugar cane residues: 100% upcycling), cotton, hemp and recycled packaging carton (birch, jute, straw)
-  All papers are acid and formaldehyde free
-  Papers are partially vegan
